Alma Mater

On the plains of Carolina
Neath her skies so blue,
Stands our noble Alma Mater,
Glorious to view.

With her classic walls and columns
looks she proudly down.
Reared against the arch of heaven,
With the stars for crown.

By Meherrin's rippling waters
Where the sunbeams play,
We, her loyal sons and daughters,
pledge our love for aye.

Praise to her! God grant His blessings,
May He give rich store,
Chowan we will ever cherish,
love her evermore.

WELCOME WEEK 2005

August of 2005. Chowan College enrolled the largest class since becoming a four-year college in the early 90's. Over 400 new faces were seen on campus at the annual Welcome Week activities. During this week students met with their advisors, moved into their residence hall rooms, and had a blast getting to know one another. Pictured at left are Rebecca Braswell and her family, and O-Team members Jenn Fredette, Jessica Jordan, and Rachel Simpson handing out orientation packets.

Homecoming 2005

"Showdown at High Noon!"

2005's Homecoming theme was "Showdown at High Noon." The week of September 25, 2005 started off with Apollo Night in Turner Auditorium, followed by many activities that were organized by SGA and the Campus Programming Board. Events were: Movie Night, Casino Night (in the Braves Den), a Foam Dance party (in Squirrel Park), and finally a Pep Rally and Bon Fire (at the Helms Center) on Friday night. On Saturday morning many clubs and organizations showed their support by being a part of the parade around Squirrel Park. The Braves

played the Southern Virginia University Knights and stomped them with a final score of 20-0! After the game, everyone went to Turner Auditorium for the annual step show sponsored by UNITE.

Athletics Go Braves!

2005-2006 brought lots of excitement to the athletic department. With the direction of a new Athletic Director, Dennis Helsel, becoming NCAA Division II, and searching for a new mascot, there was lots of activity going on.

2005 Braves Football

In new head coach Lorick Atkinson's inaugural season, the Braves began a new era in football. After a devastating 2004 season that offensively produced only 9.7 points per game, the Braves were in definite need of improvement going into the 2005 campaign. Although only a 2-8 record came from the Braves' transitional season, every major statistic greatly rose in numbers. Points per game increased to 20.8 and passing yardage was nearly 200 yards more than the previous season; however, one of the most impressive statistics was the 1,477 rushing yards, a 116% increase from last year's rushing yardage. Junior wide receiver and stand-out Josh Floyd had yet another remarkable season, breaking single season records in points scored in a season, receiving yards in a season, and receptions in a season. He was honored alongside freshman defensive back Jecol Edwards for being members of the All-Independence Football Second Team. Four other players received Independence Football Association honors: running back Jack Ross and linebackers Shatae McEachin, Kyshawn Randall, and Cody Brant. Among additions to the football program in 2005 was Richard Lage, Assistant Head Coach, who has over 17 years of coaching experience; David Earp, Offensive Coordinator, a former Chowan player; Offensive line coach Sam Gruneisen, who played and worked for the NFL; Terrance Saxby, a Chowan graduate and player; Richard Baker a recent Chowan graduate and player. Returning coaches are Brian Tripp and Jim Garrison.

Men's & Women's Soccer

This season the men's soccer team, despite a 2-11-0 overall record, was able to gain a shutout over an opponent for the third time in head coach Rob Battison's tenure at Chowan, defeating Patrick Henry College 7-0. The Braves also warded off Barton College who nearly came back from a 3-0 first half deficit by scoring two second half goals and posting sixteen shots in the final half. Joseph Rampersad led the team in points with 12, while both he and Daniel Hall registered 5 goals on the season. Hall also had 18 shots on goal this season and netted one game winner for the Braves. The Men's Soccer team looks to return a large percentage of their players next season, having graduated only their goaltender Nick Anders and defenseman David Laughinghouse.

The Braves came only one game short this year of hoisting a .500 record, posing a record of 6-7-1. However in 2005, head coach Georgia Donnelly's first season, the Braves hoisted an impressive 3-1-1 home record. The team pitched five shutouts in six wins, and Senior goalkeeper Emily Warthan posted a .842 save percentage on the season and a 1.54 goals against average per game. Lisa Kniermen led the team in points and goals, racking up 26 points and 11 goals, and Stephanie Montague led the team in assists with 5. The Braves proved to play well in the second half, only allowing 9 total goals in the second half on the season. The Braves look to return again next year under the leadership of Georgia Donnelly where she will attempt to restore the Braves as NCAA South Region Champions.

Trae Burgess, Daniel Hall, David

Front Row: Rachel Johnson, Stephanie Montague, Emily Warthan, Kermethia Abernathy, and Lisa Kniermen.

Baseball

There was no question that the Braves would be successful this season, having finished the past five seasons with a record of .500 or better. After leading the team to a 27-15-1 record in 2005, second-year head coach Aaron Carroll did nothing less than produce yet another winning season in 2006, finishing the year at 25-20. The season concluded for the Braves when the team was eliminated by Palm Beach Atlantic in two games in the Championship Round of the NCAA South Regional. At the end of the season, Matt Dize was named NCAA South Region Player of the Year, and he along with Justin Hollingsworth, PJ Sadler, Joel Ortiz, Brandon Hamlett, and Bryan

Hill were named to the NCAA All South Region Team. The team had eight players who generated batting averages over .300, the highest being .471 which was held by sophomore David Hughes. PJ Sadler led the team in two separate categories with 44 RBI's and 64 hits, Matt Dize led the team in home runs with eight total, and Joel Ortiz recorded 40 runs on the season. Pitcher Bryan Hill produced a 3.31 ERA, the lowest earned run average on the team, while Brandon Hamlett generated eight wins on the season.

2005-2006 Baseball Team: Derek Simpson, Brandon Hamlett, Justin Hollingsworth, PJ Sadler, Joey Ryder, Billu Coburn, Jaron Neal, Bryant Cooke, Ryan Leary, Pat Lynch, David Hughes, Armando Negrone, Bryan Hill, Adam Baldwin, Matt Dize, Mike Rockerfeller, Mike Kellet, Joel Ortiz, Mike McConnell

The Braves, who finished the 2005 season at 6-15 overall, started the season at 0-2, but went on the next nine matches to go 5-4. Nevertheless, the team only won one match in the final fifteen of the season. Keyon Sellers led the team in kills with 140, over a fifth of the team's total kills on the season. In addition, she averaged 2.2 kills per game, and the team average was 9.18 per game. She also led in digs with 160 on the season, yet another category that she recorded over a fifth of the team's total. The Braves look to return next season under the guidance of first year volleyball head coach Marci Jenkins to break a recorded seven year streak that has the team posting an under .500 record each of those seven seasons.

Men's Tennis

In the 2005-2006 Tennis returned to Chowan after a 4 yr absence. The program was resurrected by former tennis player Brian Surface(98), who serves as Director of Tennis and Executive Director of the Braves Club. This years team was one of the most diverse and talented Chowan has ever produced with players such as Diego Timoteo(Sao Paulo, Brazil), Darick Gilman(FT. Worth Texas), Gareth Thomas(England), and Michael Fencil(Chesapeake, Va), which were all freshmen. The team won their 1st match of the season on march

3rd, 2005 Guilford by the score of 5-2. The team went on to finish the season at 3-10 while picking up 2 NCAA DII wins against VA State. Of its losses, 4 were decided by 1 point. Chowan also had some good individual efforts. Diego Timoteo who played the #1 seed for Chowan garnered the NCCAA student-athlete of the week award. Michael Fencil and Gareth Thomas posted impressive records at the #4 and #2 spots respectively with 10-2 and 9-3 singles records and also teamed up at the #2 doubles spot for 9-4 doubles record.

After finishing the year with a 4-8 record, the Braves came out strong as ever in the second half of the season in 2006, winning twelve straight games to ignite a 16-8 record and later finish the season at 19-11 overall. On March 10 they were able to defeat Palm Beach Atlantic in the NCCAA Regional Tournament by almost 30 points, and the following day they won the Regional Championship, defeating Emmanuel College 74-70. Then at the NCCAA National Tournament the Braves ousted Central Baptist, but lost to Oakland City by four points, putting them against Roberts' Wesleyan College in a consolation game that awarded the Braves third place in the nation with an 85-59 win.

Leading the Braves in points and assists this season was NCCAA South Region Player of the Year and All-American Trayvon Lathan, holding an average of 16.2 points and 4.3 assists per game. Junior guard Marcus Artis led the teams in rebounds with an average of 8.6 per game. Also among the highlights of this past season is the awarding of the NCCAA National and Regional Coach of the Year titles to Jim Tribbett, head coach of men's basketball at Chowan for the past four years. The now Chowan University Hawks who will return as a presumably stacked and deep team next year are already probable candidates for the National Championship come the 2006-2007 season.

2005-2006 Women's Basketball Team: Back Row: Christina Johnson, Mary Tolson, Acquannette Simmons, Tawana Tucker, Keyon Sellers, Shawntanna Proctor. Front Row: Nevada Joyner, Joi Hazel, Christina Addison, Alicia McMorris, Becky Braswell, Lauryn Perry.

Women's Basketball

Yet again under the guidance of head coach Pat Mashuda, the Women's Basketball team did nothing less than post a winning record yet again this season, having an overall record of 14-10. The team's longest win streak on the season consisted of six wins, beginning against Greensboro College on December 16 and ending with a win over Southern Virginia University on January 14. Team leaders included Keyon Sellers, who averaged 14.8 points and 11 rebounds per game, Tawana Tucker, who posted 15 blocks on the season, and Christina Addison who recorded 65 total assists this season. The Braves season ended with a win in Columbia, South Carolina at the NCCAA South Regional Tournament against Allen University 64-52. The Braves, along with Pat Mashuda, are undoubtedly anxious to get back next season to take on another run at a women's basketball championship.

Softball

Chowan softball continued its winning tradition this year in head coach Meredith Long's seventh season, recording the fifth straight winning season in her tenure. The team only lost three games in Murfreesboro and became victorious fourteen times at the same venue. In the major batting categories, Ashley Rountree led the team in runs with 31, Christina Euteuati posted the most RBI's with 24, Alli Heckler hit a team-leading 5 homeruns, and both Nichole Young and Marianne Weir ended the season with .319 batting averages. Sara Teh had a 1.40 ERA, the lowest of the pitching lineup, and Kayla

Meacom had 11 wins in 17 starts. The Braves had an eight game win streak at one point in the season, and unfortunately did not play in the NCCAA tournaments. With phenomenal 2006 season efforts, Alli Heckler and Ashley Rountree gained NCCAA All South Region Team honors in mid-April. The Braves will look to come back next spring and continue to dominate the diamond as they have in the last half decade.

2005-2006 Softball Team: Back Row: Kaite Conlon, Allison Heckler, Christina Eteuati, Marianne Weir, Jenna Wood, Jessica Stauty, Shellie Wimpey. Middle Row: Sara Teh, Nichole Young, Stephanie Myane, Ashley Rountree, Kayla Meacom. Front Row: Eryn Marshall, Whitney Perry, and Melissa Buzzell.
